

## **Tiny Homes Holidays – info for Retreat bookings**

Reconnect with nature at this unforgettable venue

**Tiny Homes Holidays is a collection of six architect design hi-spec ECO cabins and studio facility. All sited in a meadow adjacent to a magnificent forest, near to Cowes on the Isle of Wight.**

### **Our USP**

Why should you choose our venue for your retreat?

Our collection of Tiny Home cabins is a unique place to stay.

This is not glamping – each of our Tiny Home eco cabins is individually designed and hand built to a high standard – we are open all year round which testifies to the build quality.

Our genuine and strong eco credentials which chime with many retreat go-ers.

We have 20 years hospitality experience working with holiday makers, group bookings and retreats.

Being a smaller venue makes our offer affordable, value for money and most importantly adaptable and personalised for your needs.

Our studio space is very adaptable and perfect for yoga – sewing workshops and everything inbetween.

We have a GREAT full time team and our address book is stuffed with amazing contacts!
